

EEMAN RASHID

GRAPHIC DESIGNER

About Me

I'm Eeman Rashid, a graphic designer with over two years of experience working with brands like Devlet and TalkMaze. I specialize in branding, digital design, and user-centered layouts, focusing on clean, modern, and functional visuals. My work includes logo design, website redesigns, and digital marketing materials, all aimed at helping clients effectively communicate their identity and stand out in a crowded market.

Education

Bachelor of Design (BDes) from COMSAT University

Master in Graphic Designing from COMSAT University
